APPEAL 365
- ADVOCACY -
The understanding and willingness to take the TIME to communicate about HVA.
- VOLUNTEERISM -
The willingness to share individual and group TALENT with HVA.
- FINANCIAL SUPPORT -
The ability and commitment to provide financial TREASURE in support of HVA.
The influx of support we received from our donors and partners during these unprecedented times has kept us in a position to serve the most vulnerable in our community. What a blessing you have been!

HOW WE HELP

ABUSE SERVICES
- The Haven -
Hope Villages of America provides both prevention and intervention services regarding domestic violence. This program offers outreach services within the community and an Emergency Safe House. Anyone experiencing domestic violence should call our 24-hour hotline at 727-442-4128. A trained Advocate will provide counseling, safety planning, and if needed, conduct a screening for entrance into the Emergency Safe House.

FOOD DISTRIBUTION & BASIC NEEDS SERVICES
- The Food Bank -
Hope Villages of America provides nutritious groceries to tens of thousands of individuals and families throughout Pinellas County. The Food Bank distributes food to people at our Clearwater warehouse and also delivers food to local food pantries, homeless shelters, domestic violence safe houses, soup kitchens, and housing programs for the disabled and elderly to ensure access to food in the neighborhoods that need it the most. We focus on nutrition; we make every effort to provide healthy, nutrient-dense foods, such as lean meats and fresh fruits and vegetables.

- The Express Center -
The Express Center is a service center for youth, adults, seniors, and families. Offering a wide range of “get it now” services, the Express Center provides direct support related to hunger, homelessness, domestic violence, and basic needs.

HOUSING STABILITY SERVICES
- The Grace House -
Hope Villages of America provides emergency shelter for homeless families with children in Pinellas County. The shelter program, known as The Grace House, provides dignified apartment-style emergency shelter for approximately two months. The program works one-on-one with families through case management, providing education, increasing job readiness, and helping families save money in order to secure stable housing.

- Goldsmith Gardens -
Goldsmith Gardens provides affordable housing for homeless families who are working towards self-sufficiency. Residents pay approximately 30% of their income in rent and work with a Case Manager to assist them in their journey to success. As part of the housing continuum, the goal is to move families from the street, to the shelter, to affordable housing, and on to market-rate housing and/or homeownership.
